

SPOT X

2-way satellite messenger with Bluetooth® wireless technology

Globalstar 

 **SPOT**
FOR BUSINESS™

SPOT X GPS Messengers connect to your smart phone via Bluetooth wireless technology through the SPOT X app to access your contacts and communicate easily with colleagues, even outside of cellular range. Communicate directly with emergency services and pinpoint the location of employees. SPOT X has its own U.S. mobile phone number, enabling cellular or SMS communication at any time.

SPOT devices deliver affordable, reliable, location-based tracking, messaging and life-saving S.O.S. technology to hundreds of thousands of users around the world 24/7.

Data management and mapping services

Our Data Management and Mapping Services provide automated monitoring and management at a glance with near real-time updates giving you visibility into an entire operation. Maintain and sustain operational efficiencies while strengthening and automating internal processes for continued business

growth with the use of SPOT My Globalstar or SPOT Mapping services.
